Retirement That Supports Your Values

Did you know that once you reach your 70th half-birthday you are required to start taking an annual distribution from your IRA (retirement account)? These distributions are counted as income, which can affect your taxes.

You can lower your taxable income by donating your IRA RMD (required minimum distribution) to a registered charity like VeDA.

Contact your tax consultant to find out if this type of gift is right for you.

Questions? Call VeDA at (800) 837-8428 or email veda@vestibular.org.
