VEDA Corporate Sponsorship Program Donation Form

Donations are a vital part of VEDA's funding. Most contributions to VEDA come from individuals and from small family foundations. Your company has an opportunity to be an industry leader by donating to our newly established corporate sponsorship program.

Your company's sponsorship will directly support VEDA's efforts for people who struggle with balance and hearing problems caused by vestibular disorders and prominently place your name in front of the professionals who serve them.

If your company wants to join with VEDA right now, please choose your level of giving and return this form. VEDA does not endorse any company, product, or service, including those of its donors or sponsors. Donors and sponsors may not suggest that they have VEDA's endorsement but are welcome to state that they support VEDA's efforts.

Thank you for helping us to help people with vestibular disorders.

Our company is proud to sponsor VEDA at the following level:
