

Membership Services

- All members receive discounts on purchases (see reverse side), and a quarterly newsletter subscription (“On the Level” provides up-to-date information on topics such as diagnosis, treatment, research, and coping strategies).
- All new members receive an information packet with the first year of membership.
- Individual members have the option of joining the Link List so that they can communicate directly with other VEDA members who understand first-hand what it is like to experience the stages of seeking a diagnosis, finding effective treatment, and managing the personal impacts of a vestibular disorder.
- Professional members receive a collection of sample documents, discounts on bundles of educational materials for distributing to patients, and an invitation to join VEDA’s Resource List. (Resource Lists are requested more than 13,000 times *per month*.)
